

Smart for your baby  Smart for your wallet  Smart for your environment

Smartipants™ Wash and Use Instructions

Diapering your baby in Smartipants™ is a smart choice for your baby and our earth. Our products are designed to be easy-to-use and economical.

Your diapers are made with the highest quality materials and workmanship. Please follow these instructions to maintain their quality and enjoy long term use.

Using Your Smartipants™

- Diapers and inserts are designed for a single use. Both the diaper and insert need to be removed and laundered between uses.
- Do not use any rash or diaper ointments or creams with the diapers. If you experience a rash and need to use any ointment please contact our customer service at customercare@smartipants.com for recommendations.
- When wet or soiled, remove diaper from baby, shake solids into toilet and store diaper in a dry diaper pail. A pail with a waterproof liner is very useful for storing soiled diapers.

TIP: Use of a mini-shower or diaper sprayer to rinse off soiled diapers over the toilet is an optional but sometimes helpful step.

Laundering Your Smartipants™ Diapers and Inserts

- Wash diapers with inserts still inside a hot cycle with detergent. Do not use bleach.
- Use ½ the normal amount of detergent on diapers. Do not use liquid fabric softener. Inserts will agitate out of the diapers during the wash cycle automatically.
- Tumble dry the diapers in dryer, or hang to dry. Do not use fabric softener sheets in the dryer.

For troubleshooting laundry issues with your diapers please contact customer service at customercare@smartipants.com.

Warranty Information

The following items are covered under limited warranty:

- Snap Defects - 24 months
- Elastic / Materials Defects - 60 days
- Sewing/Workmanship Defects - 60 days

If you need to return a defective product to us please call our customer service for instructions. Diapers are not covered outside their warranty period and all returns must be pre-authorized. Repair or replacement is made at the discretion of the manufacturer. If you have a question or issue, please do not hesitate to contact our customer service team at customercare@smartipants.com. We are happy to help!
